According to the students’ questionnaires, the participants (100%) of the class believed the course can help to enhance their analytical and critical thinking, as well as their writing skills.</li> <li>100% of the S6 students were satisfied with the course contents and the instructors.</li> </ol>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| NSS – Other Programme 4 | To provide gifted students Art enhancement programmes. | <ol style="list-style-type: none"> <li>To select suitable S4 – S6 students for the enhancement programme.</li> <li>To procure service for running the programme.</li> </ol> | Same as above | <ol style="list-style-type: none"> <li>One programme, marker illustration course was organized for the S4 - S5 VAD students in 2019-20.</li> <li>Due to the suspension of the classes, 9 sessions of the marker illustration course were conducted for the S4 and S5 VAD students from October to December 2019. 41% of the participants achieved 100% attendance rate in the course while 71% of the participants achieved 80%. However, 3 students were not able to participate in the course frequently as they had to join the tutorial class and physical problems.</li> <li>The VAD students were taught to draw different material’s texture, human body gesture and facial expression by drawing markers. Their marker drawing skills were improving constantly.</li> <li>Because of the suspension of the classes, the students’ questionnaire could not be collected. But VAD students had to finish the classwork in every sessions and the tutor had to give feedback to the students immediately to improve the artwork. As the result, the courses could enrich students’ abilities in marker drawing skills.</li> </ol> |
